| Manufacturer                       | KEMET                                 |
| Description                        | CAP TANT 47UF 10V 10% 2917            |
| Category                           | Capacitors > Tantalum Capacitors      |
| Part Status                        | 2696 pcs Stock                        |
| Voltage - Rated                    | 10V                                   |
| Type                               | Molded                                |
| Tolerance                          | ±10%                                  |
| Size / Dimension                   | 0.287" L x 0.169" W (7.30mm x 4.30mm) |
| Series                             | T495                                  |
| Packaging                          | Tape & Reel (TR)                      |
| Package / Case                     | 2917 (7343 Metric)                    |
| Operating Temperature              | -55°C ~ 125°C                         |
| Mounting Type                      | Surface Mount                         |
| Manufacturer Size Code             | D                                     |
| Lifetime @ Temp.                   | 2000 Hrs @ 85°C                       |
| Lead Spacing                       | -                                     |
| Height - Seated (Max)              | 0.122" (3.10mm)                       |
| Features                           | General Purpose                       |
| Failure Rate                       | -                                     |
| ESR (Equivalent Series Resistance) | 200 mOhm                              |
| Capacitance                        | 47µF                                  |
|                                    |                                       |
