Specifications

|                            |                                                      |
|----------------------------|------------------------------------------------------|
| Part Number                | PI3CH480LEX                                          |
| Manufacturer               | Diodes Incorporated                                  |
| Description                | IC 2:1 MUX/DEMUX 4CH 3ST 16TSSOP                     |
| Category                   | Integrated Circuits (ICs) > Logic - Signal Switches, |
| Part Status                | 25439 pcs Stock                                      |
| Voltage Supply Source      | Single Supply                                        |
| Voltage - Supply           | 2.25 V ~ 3.6 V                                       |
| Type                       | Multiplexer/Demultiplexer                            |
| Supplier Device Package    | 16-TSSOP                                             |
| Series                     | -                                                    |
| Packaging                  | Tape & Reel (TR)                                     |
| Package / Case             | 16-TSSOP (0.173", 4.40mm Width)                      |
| Operating Temperature      | -40°C ~ 85°C                                         |
| Mounting Type              | Surface Mount                                        |
| Independent Circuits       | 1                                                    |
| Current - Output High, Low | -                                                    |
| Circuit                    | 4 x 2:1                                              |
