| Manufacturer            | N/A                                                    |
| Description             | IC BUS TRANSCVR 8BIT 24TSSOP                           |
| Category                | Integrated Circuits (ICs) > Logic - Translators, Level |
| Part Status             | 2598 pcs Stock                                         |
| Voltage - VCCB          | 3 V ~ 5.5 V                                            |
| Voltage - VCCA          | 2.3 V ~ 3.6 V                                          |
| Translator Type         | Voltage Level                                          |
| Supplier Device Package | 24-TSSOP                                               |
| Series                  | 74LVCC                                                 |
| Packaging               | Original-Reel®                                         |
| Package / Case          | 24-TSSOP (0.173", 4.40mm Width)                        |
| Output Type             | Tri-State, Non-Inverted                                |
| Output Signal           | -                                                      |
| Operating Temperature   | -40°C ~ 85°C (TA)                                      |
| Number of Circuits      | 1                                                      |
| Mounting Type           | Surface Mount                                          |
| Input Signal            | -                                                      |
| Features                | -                                                      |
| Data Rate               | -                                                      |
| Channels per Circuit    | 8                                                      |
| Channel Type            | Bidirectional                                          |
|                         |                                                        |
