| Part Number                      | DS21S07AS+                                      |
| Manufacturer                     | N/A                                             |
| Description                      | IC TERMINATOR SCSI 16-SOIC                      |
| Category                         | Integrated Circuits (ICs) > Interface - Signal  |
| Part Status                      | 2558 pcs Stock                                  |
| Voltage - Supply                 | 4 V ~ 5.5 V                                     |
| Type                             | SCSI, LVD, SE                                   |
| Supplier Device Package          | 16-SOIC                                         |
| Series                           | -                                               |
| Packaging                        | Tube                                            |
| Package / Case                   | 16-SOIC (0.295", 7.50mm Width)                  |
| Operating Temperature            | 0°C ~ 70°C                                      |
| Number of Terminations           | 9                                               |
| Mounting Type                    | Surface Mount                                   |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                   |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                      |
| Detailed Description             | SCSI, LVD, SE Terminator 9 Terminations 16-SOIC |
| Base Part Number                 | DS21S07A                                        |
