Specifications

|                                  |                                   |
|----------------------------------|-----------------------------------|
| Part Number                      | SD24C-TP                          |
| Manufacturer                     | Micro Commercial Components (MCC) |
| Description                      | 24V,ESD PROTECTION DEVICES,SOD-3  |
| Category                         | Circuit Protection > TVS - Diodes |
| Part Status                      | 2657 pcs Stock                    |
| Voltage - Reverse Standoff (Typ) | 24V (Max)                         |
| Voltage - Clamping (Max) @ Ipp   | 62V                               |
| Voltage - Breakdown (Min)        | 26.7V                             |
| Type                             | Zener                             |
| Supplier Device Package          | SOD-323                           |
| Series                           | -                                 |
| Power Line Protection            | No                                |
| Power - Peak Pulse               | 350W                              |
| Packaging                        | Tape & Reel (TR)                  |
| Package / Case                   | SC-76, SOD-323                    |
| Other Names                      | SD24C-TPMSTR                      |
| Operating Temperature            | -55°C ~ 125°C (TJ)                |
| Mounting Type                    | Surface Mount                     |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                     |
| Manufacturer Standard Lead Time  | 14 Weeks                          |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant        |
| Current - Peak Pulse (10/1000µs) | 8A (8/20µs)                       |
| Capacitance @ Frequency          | 50pF @ 1MHz (Max)                 |
| Bidirectional Channels           | 1                                 |
| Applications                     | General Purpose                   |
