| Description                 | IC 5DRVR/3RCVR RS232 3V 24-SOIC                             |
| Category                    | Integrated Circuits (ICs) > Interface - Drivers, Receivers, |
| Part Status                 | 2566 pcs Stock                                              |
| Voltage - Supply            | 3 V ~ 5.5 V                                                 |
| Type                        | Transceiver                                                 |
| Supplier Device Package     | 24-SOIC                                                     |
| Series                      | -                                                           |
| Receiver Hysteresis         | 300mV                                                       |
| Protocol                    | RS232                                                       |
| Packaging                   | Tape & Reel (TR)                                            |
| Package / Case              | 24-SOIC (0.295", 7.50mm Width)                              |
| Operating Temperature       | 0°C ~ 70°C                                                  |
| Number of Drivers/Receivers | 5/3                                                         |
| Mounting Type               | Surface Mount                                               |
| Duplex                      | Full                                                        |
| Data Rate                   | 250kbps                                                     |
