YIC International Co., Limited.

MAX174BEWI+

Manufacturer Part Number:

MAX174BEWI+

Manufacturer/Brand:

N/A

Part of Description:

IC ADC 12BIT W/REF 28-SOIC

RoHs Status:

 Lead free / RoHS

Stock Condition:

Compliant  
New original, 1303 pcs Stock Available.

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

Image may be representation.  
See specs for product details.

| Specifications                   |                                                          |
|----------------------------------|----------------------------------------------------------|
| Part Number                      | MAX174BEWI+                                              |
| Manufacturer                     | N/A                                                      |
| Description                      | IC ADC 12BIT W/REF 28-SOIC                               |
| Category                         | Integrated Circuits (ICs) > Data Acquisition - Analog to |
| Part Status                      | 1303 pcs Stock                                           |
| Voltage - Supply, Digital        | 5V, -12V, -15V                                           |
| Voltage - Supply, Analog         | 5V, -12V, -15V                                           |
| Supplier Device Package          | 28-SOIC                                                  |
| Series                           | -                                                        |
| Sampling Rate (Per Second)       | 125k                                                     |
| Reference Type                   | Internal                                                 |
| Ratio - S/H:ADC                  | 1:1                                                      |
| Packaging                        | Tube                                                     |
| Package / Case                   | 28-SOIC (0.295", 7.50mm Width)                           |
| Operating Temperature            | -40°C ~ 85°C                                             |
| Number of Inputs                 | 1                                                        |
| Number of Bits                   | 12                                                       |
| Number of A/D Converters         | 1                                                        |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                            |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                               |
| Input Type                       | Single Ended                                             |
| Features                         | -                                                        |
| Detailed Description             | 12 Bit Analog to Digital Converter 1 Input 1 SAR 28-     |
| Data Interface                   | Parallel                                                 |
| Configuration                    | S/H-ADC                                                  |
| Base Part Number                 | MAX174                                                   |
| Architecture                     | SAR                                                      |
