Specifications

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Part Number                | ICL7117CPL+                                              |
| Manufacturer               | N/A                                                      |
| Description                | IC ADC 3.5 DIGIT W/LED 40-DIP                            |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - ADCs/DACs |
| Part Status                | 2672 pcs Stock                                           |
| Voltage Supply Source      | Single Supply                                            |
| Voltage - Supply           | 5V                                                       |
| Type                       | Display Driver                                           |
| Supplier Device Package    | 40-PDIP                                                  |
| Series                     | -                                                        |
| Sampling Rate (Per Second) | -                                                        |
| Resolution (Bits)          | 3.5 Digit                                                |
| Packaging                  | Tube                                                     |
| Package / Case             | 40-DIP (0.600", 15.24mm)                                 |
| Operating Temperature      | 0°C ~ 70°C                                               |
| Mounting Type              | Through Hole                                             |
| Data Interface             | -                                                        |
