| Manufacturer               | N/A                                                   |
| Description                | IC DUAL PCMCIA PWR SW 32HTSSOP                        |
| Category                   | Integrated Circuits (ICs) > PMIC - Power Distribution |
| Part Status                | 2517 pcs Stock                                        |
| Voltage - Supply (Vcc/Vdd) | Not Required                                          |
| Voltage - Load             | 3.3V, 5V, 12V                                         |
| Switch Type                | PCMCIA Switch                                         |
| Supplier Device Package    | 32-HTSSOP                                             |
| Series                     | -                                                     |
| Rds On (Typ)               | 140 mOhm                                              |
| Ratio - Input:Output       | 1:1                                                   |
| Packaging                  | Tube                                                  |
| Package / Case             | 32-TSSOP (0.240", 6.10mm Width) Exposed Pad           |
| Output Type                | -                                                     |
| Output Configuration       | High Side                                             |
| Operating Temperature      | -40°C ~ 70°C (TA)                                     |
| Number of Outputs          | 4                                                     |
| Interface                  | Serial                                                |
| Input Type                 | -                                                     |
| Features                   | Status Flag                                           |
| Fault Protection           | Current Limiting (Fixed), Over Temperature            |
| Current - Output (Max)     | 750mA                                                 |
|                            |                                                       |
