| Specifications         |                                         |
|------------------------|-----------------------------------------|
| Part Number            | MTSMC-LVW3-SP                           |
| Manufacturer           | Multi-Tech Systems, Inc.                |
| Description            | EMBEDDED LTE CAT 1 MODEM/SERIAL         |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | 2660 pcs Stock                          |
| Voltage - Supply       | 3.3 V ~ 5 V                             |
| Series                 | SocketModem® Cell                       |
| Serial Interfaces      | UART                                    |
| Sensitivity            | -                                       |
| RF Family/Standard     | Cellular                                |
| Protocol               | LTE                                     |
| Power - Output         | -                                       |
| Packaging              | Bulk                                    |
| Package / Case         | Module                                  |
| Operating Temperature  | -40°C ~ 85°C                            |
| Mounting Type          | Through Hole                            |
| Modulation             | -                                       |
| Memory Size            | -                                       |
| Frequency              | 700MHz, 1.7GHz, 1.9GHz                  |
| Data Rate              | 10Mbps                                  |
| Current - Transmitting | -                                       |
| Current - Receiving    | -                                       |
| Antenna Type           | Not Included, U.FL                      |
|                        |                                         |
