**VI-232-MX**

|                           |                                                                                                                 |
|---------------------------|-----------------------------------------------------------------------------------------------------------------|
| Manufacturer Part Number: | VI-232-MX                                                                                                       |
| Manufacturer/Brand:       | Vicor                                                                                                           |
| Part of Description:      | DC DC CONVERTER 15V 75W                                                                                         |
| Datasheets:               |  <a href="#">VI-232-MX.pdf</a> |
| RoHs Status:              | Contains lead / RoHS non-compliant                                                                              |
| Stock Condition:          | New original, 2743 pcs Stock Available.                                                                         |
| Ship From:                | Hong Kong                                                                                                       |
| Shipment Way:             | DHL/Fedex/TNT/UPS/EMS                                                                                           |

| Specifications                  |                                                       |
|---------------------------------|-------------------------------------------------------|
| Part Number                     | VI-232-MX                                             |
| Manufacturer                    | Vicor                                                 |
| Description                     | DC DC CONVERTER 15V 75W                               |
| Category                        | Power Supplies - Board Mount > DC DC Converters       |
| Part Status                     | 2743 pcs Stock                                        |
| Voltage - Output 3              | -                                                     |
| Voltage - Output 2              | -                                                     |
| Voltage - Output 1              | 15V                                                   |
| Voltage - Isolation             | 3kV                                                   |
| Voltage - Input (Min)           | 42V                                                   |
| Voltage - Input (Max)           | 60V                                                   |
| Type                            | Isolated Module                                       |
| Size / Dimension                | 4.60" L x 2.40" W x 0.50" H (116.8mm x 61.0mm x       |
| Series                          | VI-200™                                               |
| Power (Watts)                   | 75W                                                   |
| Packaging                       | Bulk                                                  |
| Package / Case                  | Full Brick                                            |
| Operating Temperature           | -55°C ~ 85°C                                          |
| Number of Outputs               | 1                                                     |
| Mounting Type                   | Through Hole                                          |
| Manufacturer Standard Lead Time | 16 Weeks                                              |
| Lead Free Status / RoHS Status  | Contains lead / RoHS non-compliant                    |
| Features                        | OCp, OTp, OVp, SCp                                    |
| Efficiency                      | 90%                                                   |
| Detailed Description            | Isolated Module DC DC Converter 1 Output 15V 5A 42V - |
| Current - Output (Max)          | 5A                                                    |
| Applications                    | ITE (Commercial)                                      |
