

TLE2082CDG4

Manufacturer Part Number:

TLE2082CDG4

Manufacturer/Brand:

N/A

Part of Description:

IC OPAMP JFET 10MHZ 8SOIC

RoHs Status:

 Lead free / RoHS

Stock Condition:

Compliant  
New original, 1463 pcs Stock Available.

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

Image may be representation.  
See specs for product details.

| Specifications                    |                                                   |
|-----------------------------------|---------------------------------------------------|
| Part Number                       | TLE2082CDG4                                       |
| Manufacturer                      | N/A                                               |
| Description                       | IC OPAMP JFET 10MHZ 8SOIC                         |
| Category                          | Integrated Circuits (ICs) > Linear - Amplifiers - |
| Part Status                       | 1463 pcs Stock                                    |
| Voltage - Supply, Single/Dual (±) | 4.5 V ~ 38 V, ±2.25 V ~ 19 V                      |
| Voltage - Input Offset            | 1.1mV                                             |
| Supplier Device Package           | 8-SOIC                                            |
| Slew Rate                         | 45 V/μs                                           |
| Series                            | Excalibur™                                        |
| Packaging                         | Tube                                              |
| Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                     |
| Output Type                       | -                                                 |
| Operating Temperature             | 0°C ~ 70°C                                        |
| Number of Circuits                | 2                                                 |
| Mounting Type                     | Surface Mount                                     |
| Gain Bandwidth Product            | 10MHz                                             |
| Current - Supply                  | 3.1mA                                             |
| Current - Output / Channel        | 48mA                                              |
| Current - Input Bias              | 20pA                                              |
| Amplifier Type                    | J-FET                                             |
| -3db Bandwidth                    | -                                                 |
|                                   |                                                   |
