| Specifications                    |                                                  |
|-----------------------------------|--------------------------------------------------|
| Part Number                       | LTC6752HMS8-2#TRPBF                              |
| Manufacturer                      | N/A                                              |
| Description                       | IC COMPARATOR 280MHZ 8MSOP                       |
| Category                          | Integrated Circuits (ICs) > Linear - Comparators |
| Part Status                       | 2637 pcs Stock                                   |
| Voltage - Supply, Single/Dual (±) | 2.45 V ~ 5.25 V                                  |
| Voltage - Input Offset (Max)      | 5.5mV @ 5V                                       |
| Type                              | General Purpose                                  |
| Supplier Device Package           | 8-MSOP                                           |
| Series                            | -                                                |
| Propagation Delay (Max)           | 5.3ns                                            |
| Packaging                         | Tape & Reel (TR)                                 |
| Package / Case                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)           |
| Output Type                       | CMOS                                             |
| Operating Temperature             | -40°C ~ 125°C                                    |
| Number of Elements                | 1                                                |
| Mounting Type                     | Surface Mount                                    |
| Hysteresis                        | -                                                |
| Current - Quiescent (Max)         | 2.65mA                                           |
| Current - Output (Typ)            | 19mA @ 5V                                        |
| Current - Input Bias (Max)        | 1.6µA @ 5V                                       |
| CMRR, PSRR (Typ)                  | -                                                |
|                                   |                                                  |
