Specifications

|                         |                                                      |
|-------------------------|------------------------------------------------------|
| Part Number             | MAX2633EUT+T                                         |
| Manufacturer            | N/A                                                  |
| Description             | IC AMP GP VHF-MICROWAVE SOT23-6                      |
| Category                | RF/IF and RFID > RF Amplifiers                       |
| Part Status             | 1296 pcs Stock                                       |
| Voltage - Supply        | 2.7 V ~ 5.5 V                                        |
| Test Frequency          | 900MHz                                               |
| Supplier Device Package | SOT-23-6                                             |
| Series                  | -                                                    |
| RF Type                 | Cellular, VHF, GPS, ISM, PCS, Set Top Box, WLAN, WLL |
| Packaging               | Tape & Reel (TR)                                     |
| Package / Case          | SOT-23-6                                             |
| P1dB                    | -11dBm                                               |
| Noise Figure            | 3.8dB                                                |
| Gain                    | 13.4dB                                               |
| Frequency               | 100MHz ~ 1GHz                                        |
| Current - Supply        | 6.6mA                                                |
