| Description             | IC BATT/PROTECT 2-4CELL 8-TSSOP                       |
| Category                | Integrated Circuits (ICs) > PMIC - Battery Management |
| Part Status             | 12500 pcs Stock                                       |
| Supplier Device Package | 8-TSSOP                                               |
| Series                  | -                                                     |
| Packaging               | Tape & Reel (TR)                                      |
| Package / Case          | 8-TSSOP (0.173", 4.40mm Width)                        |
| Operating Temperature   | -40°C ~ 110°C (TA)                                    |
| Number of Cells         | 2 ~ 4                                                 |
| Interface               | -                                                     |
| Function                | Battery Protection                                    |
| Fault Protection        | Over Voltage                                          |
| Battery Chemistry       | Lithium-Ion                                           |
