Specifications

|                         |                                                         |
|-------------------------|---------------------------------------------------------|
| Part Number             | SC4150HIS-4TRT                                          |
| Manufacturer            | Semtech                                                 |
| Description             | IC CTRLR HOT SWAP NEG VOLT 8SOIC                        |
| Category                | Integrated Circuits (ICs) > PMIC - Hot Swap Controllers |
| Part Status             | 2649 pcs Stock                                          |
| Voltage - Supply        | 10 V ~ 80 V                                             |
| Type                    | Hot Swap Controller                                     |
| Supplier Device Package | 8-SO                                                    |
| Series                  | -                                                       |
| Programmable Features   | OVP, Slew Rate, UVLO                                    |
| Packaging               | Tape & Reel (TR)                                        |
| Package / Case          | 8-SOIC (0.154", 3.90mm Width)                           |
| Operating Temperature   | -40°C ~ 125°C                                           |
| Number of Channels      | 1                                                       |
| Mounting Type           | Surface Mount                                           |
| Internal Switch(s)      | No                                                      |
| Features                | Auto Retry, Fault Timeout                               |
| Feature Pins            | DRAIN, OV, PWRGD, UV                                    |
| Current - Supply        | 4mA                                                     |
| Current - Output (Max)  | -                                                       |
| Applications            | -48V                                                    |
