Specifications

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Part Number                | CS5340-DZZ                                               |
| Manufacturer               | Cirrus Logic                                             |
| Description                | IC ADC 24BIT SRL 192KHZ 16-TSSOP                         |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - ADCs/DACs |
| Part Status                | 2687 pcs Stock                                           |
| Voltage Supply Source      | Analog and Digital                                       |
| Voltage - Supply           | 3.1 V ~ 5.25 V                                           |
| Type                       | ADC, Audio                                               |
| Supplier Device Package    | 16-TSSOP                                                 |
| Series                     | -                                                        |
| Sampling Rate (Per Second) | 192k                                                     |
| Resolution (Bits)          | 24 b                                                     |
| Packaging                  | Tube                                                     |
| Package / Case             | 16-TSSOP (0.173", 4.40mm Width)                          |
| Operating Temperature      | -40°C ~ 85°C                                             |
| Mounting Type              | Surface Mount                                            |
| Data Interface             | Serial                                                   |
