Specifications

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Part Number                | MAX148BCAP+                                              |
| Manufacturer               | N/A                                                      |
| Description                | IC ADC SRL 8CH 10BIT LP 20-SSOP                          |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - Analog to |
| Part Status                | 2551 pcs Stock                                           |
| Voltage - Supply, Digital  | 2.7 V ~ 5.25 V                                           |
| Voltage - Supply, Analog   | 2.7 V ~ 5.25 V                                           |
| Supplier Device Package    | 20-SSOP                                                  |
| Series                     | -                                                        |
| Sampling Rate (Per Second) | 133k                                                     |
| Reference Type             | External                                                 |
| Ratio - S/H:ADC            | 1:1                                                      |
| Packaging                  | Tube                                                     |
| Package / Case             | 20-SSOP (0.209", 5.30mm Width)                           |
| Operating Temperature      | 0°C ~ 70°C                                               |
| Number of Inputs           | 4, 8                                                     |
| Number of Bits             | 10                                                       |
| Number of A/D Converters   | 1                                                        |
| Input Type                 | Differential, Single Ended                               |
| Features                   | -                                                        |
| Data Interface             | SPI                                                      |
| Configuration              | MUX-S/H-ADC                                              |
| Architecture               | SAR                                                      |
