

| Specifications          |                                                         |
|-------------------------|---------------------------------------------------------|
| Part Number             | 8N4QV01EG-0128CDI                                       |
| Manufacturer            | IDT (Integrated Device Technology)                      |
| Description             | IC OSC VCXO QD FREQ 10CLCC                              |
| Category                | Integrated Circuits (ICs) > Clock/Timing - Programmable |
| Part Status             | 2661 pcs Stock                                          |
| Voltage - Supply        | 3.135 V ~ 3.465 V                                       |
| Type                    | VCXO                                                    |
| Supplier Device Package | 10-CLCC (7x5)                                           |
| Series                  | FemtoClock® NG                                          |
| Packaging               | Tray                                                    |
| Package / Case          | 10-CLCC                                                 |
| Operating Temperature   | -40°C ~ 85°C                                            |
| Mounting Type           | Surface Mount                                           |
| Frequency               | 25MHz, 33.3333MHz, 62.5MHz, 125MHz                      |
| Current - Supply        | 160mA                                                   |
| Count                   | -                                                       |
