| Specifications         |                                     |
|------------------------|-------------------------------------|
| Part Number            | BC57E687C-GITB-E4                   |
| Manufacturer           | CSR PLC (Qualcomm)                  |
| Description            | IC RF TXRX+MCU BLUTOOTH 169TFBGA    |
| Category               | RF/IF and RFID > RF Transceiver ICs |
| Part Status            | 5239 pcs Stock                      |
| Voltage - Supply       | 1.5V                                |
| Type                   | TxRx + MCU                          |
| Series                 | BlueCore5™ Multimedia               |
| Serial Interfaces      | I²C, I²S, UART, USB                 |
| Sensitivity            | -90dBm                              |
| RF Family/Standard     | Bluetooth                           |
| Protocol               | Bluetooth v2.1 +EDR, Class 2 and 3  |
| Power - Output         | 8dBm                                |
| Packaging              | Tape & Reel (TR)                    |
| Package / Case         | 169-TFBGA                           |
| Operating Temperature  | -                                   |
| Modulation             | -                                   |
| Memory Size            | 48kB RAM                            |
| GPIO                   | 16                                  |
| Frequency              | 2.4GHz                              |
| Data Rate (Max)        | 3Mbps                               |
| Current - Transmitting | -                                   |
| Current - Receiving    | -                                   |
|                        |                                     |
