Specifications

|                         |                                                      |
|-------------------------|------------------------------------------------------|
| Part Number             | RF2360TR7                                            |
| Manufacturer            | RFMD                                                 |
| Description             | IC AMP MESFET GAAS CATV 16-SOP                       |
| Category                | RF/IF and RFID > RF Amplifiers                       |
| Part Status             | 729 pcs Stock                                        |
| Voltage - Supply        | 6 V ~ 9 V                                            |
| Test Frequency          | 500MHz                                               |
| Supplier Device Package | 16-SOIC                                              |
| Series                  | -                                                    |
| RF Type                 | ISM, Broadcast Television                            |
| Packaging               | Tape & Reel (TR)                                     |
| Package / Case          | 16-SOIC (0.154", 3.90mm Width) 14 Leads, Fused Leads |
| P1dB                    | 25.1dBm (323.6mW)                                    |
| Noise Figure            | 1.1dB                                                |
| Gain                    | 20dB                                                 |
| Frequency               | 5MHz ~ 1.5GHz                                        |
| Current - Supply        | 100mA ~ 109mA                                        |
