| Specifications          |                                                 |
|-------------------------|-------------------------------------------------|
| Part Number             | ZL50011GDG2                                     |
| Manufacturer            | Microsemi                                       |
| Description             | IC TDM SWITCH 512CH 144LBGA                     |
| Category                | Integrated Circuits (ICs) > Interface - Telecom |
| Part Status             | 2622 pcs Stock                                  |
| Voltage - Supply        | 3 V ~ 3.6 V                                     |
| Supplier Device Package | 144-LBGA (13x13)                                |
| Series                  | -                                               |
| Power (Watts)           | -                                               |
| Packaging               | Tray                                            |
| Package / Case          | 144-LBGA                                        |
| Operating Temperature   | -40°C ~ 85°C                                    |
| Number of Circuits      | 1                                               |
| Mounting Type           | Surface Mount                                   |
| Interface               | -                                               |
| Includes                | -                                               |
| Function                | Switch                                          |
| Current - Supply        | 250mA                                           |
