

| Specifications                   |                                   |
|----------------------------------|-----------------------------------|
| Part Number                      | 15KP20CA-TP                       |
| Manufacturer                     | Micro Commercial Components (MCC) |
| Description                      | TVS DIODE 20VWM 34.3VC R6         |
| Category                         | Circuit Protection > TVS - Diodes |
| Part Status                      | 2585 pcs Stock                    |
| Voltage - Reverse Standoff (Typ) | 20V                               |
| Voltage - Clamping (Max) @ Ipp   | 34.3V                             |
| Voltage - Breakdown (Min)        | 22.2V                             |
| Type                             | Zener                             |
| Supplier Device Package          | R-6                               |
| Series                           | -                                 |
| Power Line Protection            | No                                |
| Power - Peak Pulse               | 15000W (15kW)                     |
| Packaging                        | Tape & Reel (TR)                  |
| Package / Case                   | R6, Axial                         |
| Operating Temperature            | -55°C ~ 175°C (TJ)                |
| Mounting Type                    | Through Hole                      |
| Current - Peak Pulse (10/1000µs) | -                                 |
| Capacitance @ Frequency          | -                                 |
| Bidirectional Channels           | 1                                 |
| Applications                     | General Purpose                   |
