|-------------------------|------------------------------------------------------|
| Part Number             | CS1500-FSZ                                           |
| Manufacturer            | Cirrus Logic                                         |
| Description             | IC PFC CONTROLLER DCM 8SOIC                          |
| Category                | Integrated Circuits (ICs) > PMIC - PFC (Power Factor |
| Part Status             | 2699 pcs Stock                                       |
| Voltage - Supply        | 7.9 V ~ 17 V                                         |
| Supplier Device Package | 8-SOIC                                               |
| Series                  | EXL Core™                                            |
| Packaging               | Tray                                                 |
| Package / Case          | 8-SOIC (0.154", 3.90mm Width)                        |
| Operating Temperature   | -40°C ~ 125°C                                        |
| Mounting Type           | Surface Mount                                        |
| Mode                    | Discontinuous Conduction (DCM)                       |
| Frequency - Switching   | 66kHz                                                |
| Current - Startup       | 68µA                                                 |
|                         |                                                      |
