| Specifications             |                                                          |
|----------------------------|----------------------------------------------------------|
| Part Number                | MAX152EPP+                                               |
| Manufacturer               | N/A                                                      |
| Description                | IC ADC 8BIT 1UA PWR-DWN 20-DIP                           |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - Analog to |
| Part Status                | 2577 pcs Stock                                           |
| Voltage - Supply, Digital  | ±3 V ~ 3.6 V                                             |
| Voltage - Supply, Analog   | ±3 V ~ 3.6 V                                             |
| Supplier Device Package    | 20-PDIP                                                  |
| Series                     | -                                                        |
| Sampling Rate (Per Second) | 400k                                                     |
| Reference Type             | External                                                 |
| Ratio - S/H:ADC            | 1:1                                                      |
| Packaging                  | Tube                                                     |
| Package / Case             | 20-DIP (0.300", 7.62mm)                                  |
| Operating Temperature      | -40°C ~ 85°C                                             |
| Number of Inputs           | 1                                                        |
| Number of Bits             | 8                                                        |
| Number of A/D Converters   | 1                                                        |
| Input Type                 | Single Ended                                             |
| Features                   | -                                                        |
| Data Interface             | Parallel                                                 |
| Configuration              | S/H-ADC                                                  |
| Architecture               | Flash                                                    |
|                            |                                                          |
