| Specifications                      |                                                |
|-------------------------------------|------------------------------------------------|
| Part Number                         | CS42428-DQZ                                    |
| Manufacturer                        | Cirrus Logic                                   |
| Description                         | IC CODEC 8CH 114DB 192KHZ 64LQFP               |
| Category                            | Integrated Circuits (ICs) > Interface - CODECs |
| Part Status                         | 2609 pcs Stock                                 |
| Voltage - Supply, Digital           | 3.13 V ~ 5.25 V                                |
| Voltage - Supply, Analog            | 4.75 V ~ 5.25 V                                |
| Type                                | Audio                                          |
| Supplier Device Package             | 64-LQFP (10x10)                                |
| Sigma Delta                         | Yes                                            |
| Series                              | -                                              |
| S/N Ratio, ADCs / DACs (db) Typ     | -                                              |
| Resolution (Bits)                   | 24 b                                           |
| Packaging                           | Tray                                           |
| Package / Case                      | 64-LQFP                                        |
| Operating Temperature               | -40°C ~ 85°C                                   |
| Number of ADCs / DACs               | 2 / 8                                          |
| Mounting Type                       | Surface Mount                                  |
| Dynamic Range, ADCs / DACs (db) Typ | 114 / 114                                      |
| Data Interface                      | Serial                                         |
