| Description                       | IC OPAMP VFB 1GHZ 8SOIC                           |
| Category                          | Integrated Circuits (ICs) > Linear - Amplifiers - |
| Part Status                       | 2582 pcs Stock                                    |
| Voltage - Supply, Single/Dual (±) | 3.3 V ~ 12 V, ±1.65 V ~ 6 V                       |
| Voltage - Input Offset            | 200µV                                             |
| Supplier Device Package           | 8-SOIC-EP                                         |
| Slew Rate                         | 1350 V/µs                                         |
| Series                            | -                                                 |
| Packaging                         | Tape & Reel (TR)                                  |
| Package / Case                    | 8-SOIC (0.154", 3.90mm Width) Exposed Pad         |
| Output Type                       | -                                                 |
| Operating Temperature             | -40°C ~ 125°C                                     |
| Number of Circuits                | 1                                                 |
| Mounting Type                     | Surface Mount                                     |
| Current - Supply                  | 16mA                                              |
| Current - Output / Channel        | 70mA                                              |
| Current - Input Bias              | 2µA                                               |
| Amplifier Type                    | Voltage Feedback                                  |
