| Specifications          |                                                     |
|-------------------------|-----------------------------------------------------|
| Part Number             | AT83C24B-PRRUM                                      |
| Manufacturer            | Micrel / Microchip Technology                       |
| Description             | IC SMART CARD READER W/PM 28-QFN                    |
| Category                | Integrated Circuits (ICs) > Interface - Specialized |
| Part Status             | 5279 pcs Stock                                      |
| Voltage - Supply        | 3 V ~ 5.5 V                                         |
| Supplier Device Package | 28-QFN (5x5)                                        |
| Series                  | -                                                   |
| Packaging               | Tape & Reel (TR)                                    |
| Package / Case          | 28-VFQFN Exposed Pad                                |
| Mounting Type           | Surface Mount                                       |
| Interface               | 2-Wire                                              |
| Applications            | -                                                   |
