| Specifications                     |                                  |
|------------------------------------|----------------------------------|
| Part Number                        | SLP103M050E9P3                   |
| Manufacturer                       | Cornell Dubilier Electronics     |
| Description                        | CAP ALUM 10000UF 20% 50V SNAP    |
| Category                           | Capacitors > Aluminum Capacitors |
| Part Status                        | 2630 pcs Stock                   |
| Voltage Rating                     | 50V                              |
| Tolerance                          | ±20%                             |
| Surface Mount Land Size            | -                                |
| Size / Dimension                   | 1.181" Dia (30.00mm)             |
| Series                             | SLP                              |
| Ripple Current                     | 4.51A @ 120Hz                    |
| Polarization                       | Polar                            |
| Packaging                          | Bulk                             |
| Package / Case                     | Radial, Can - Snap-In            |
| Operating Temperature              | -40°C ~ 105°C                    |
| Mounting Type                      | Through Hole                     |
| Lifetime @ Temp.                   | 3000 Hrs @ 105°C                 |
| Lead Spacing                       | 0.394" (10.00mm)                 |
| Impedance                          | -                                |
| Height - Seated (Max)              | 1.969" (50.00mm)                 |
| ESR (Equivalent Series Resistance) | 46 mOhm @ 120Hz                  |
| Capacitance                        | 10000µF                          |
| Applications                       | General Purpose                  |
|                                    |                                  |
|                                    |                                  |
