

| Specifications                    |                                                                                    |
|-----------------------------------|------------------------------------------------------------------------------------|
| Part Number                       | MMBZ5234B_D87Z                                                                     |
| Manufacturer                      | Fairchild/ON Semiconductor                                                         |
| Description                       | DIODE ZENER 6.2V 350MW SOT23-3                                                     |
| Category                          | <a href="#">Discrete Semiconductor Products</a> > <a href="#">Diodes - Zener -</a> |
| Part Status                       | 2624 pcs Stock                                                                     |
| Voltage - Zener (Nom) (Vz)        | 6.2V                                                                               |
| Voltage - Forward (Vf) (Max) @ If | 900mV @ 10mA                                                                       |
| Tolerance                         | ±5%                                                                                |
| Supplier Device Package           | SOT-23-3                                                                           |
| Series                            | -                                                                                  |
| Power - Max                       | 350mW                                                                              |
| Packaging                         | Tape & Reel (TR)                                                                   |
| Package / Case                    | TO-236-3, SC-59, SOT-23-3                                                          |
| Operating Temperature             | -55°C ~ 150°C                                                                      |
| Mounting Type                     | Surface Mount                                                                      |
| Impedance (Max) (Zzt)             | 7 Ohm                                                                              |
| Current - Reverse Leakage @ Vr    | 5µA @ 4V                                                                           |
|                                   |                                                                                    |
