|----------------------------------|-----------------------------------------------------------|
| Part Number                      | MAX543BCWE+                                               |
| Manufacturer                     | N/A                                                       |
| Description                      | IC DAC 12BIT MULT SERIAL 16-SOIC                          |
| Category                         | Integrated Circuits (ICs) > Data Acquisition - Digital to |
| Part Status                      | 510 pcs Stock                                             |
| Voltage - Supply, Digital        | 5V, 11.4 V ~ 15.75 V                                      |
| Voltage - Supply, Analog         | 5V, 11.4 V ~ 15.75 V                                      |
| Supplier Device Package          | 16-SOIC                                                   |
| Settling Time                    | 1μs                                                       |
| Series                           | -                                                         |
| Reference Type                   | External                                                  |
| Packaging                        | Tube                                                      |
| Package / Case                   | 16-SOIC (0.295", 7.50mm Width)                            |
| Output Type                      | Current - Unbuffered                                      |
| Operating Temperature            | 0°C ~ 70°C                                                |
| Number of D/A Converters         | 1                                                         |
| Number of Bits                   | 12                                                        |
| Mounting Type                    | Surface Mount                                             |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                             |
| Manufacturer Standard Lead Time  | 6 Weeks                                                   |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                |
| INL/DNL (LSB)                    | ±1 (Max), ±1 (Max)                                        |
| Differential Output              | No                                                        |
| Detailed Description             | 12 Bit Digital to Analog Converter 1 16-SOIC              |
| Data Interface                   | SPI                                                       |
| Base Part Number                 | MAX543                                                    |
| Architecture                     | R-2R                                                      |
