|----------------------------------|----------------------------------------------------|
| Part Number                      | MAX6382XR17D3+T                                    |
| Manufacturer                     | N/A                                                |
| Description                      | IC MPU/RESET CIRC 1.67V SC70-3                     |
| Category                         | Integrated Circuits (ICs) > PMIC - Supervisors     |
| Part Status                      | 2632 pcs Stock                                     |
| Voltage - Threshold              | 1.67V                                              |
| Type                             | Simple Reset/Power-On Reset                        |
| Supplier Device Package          | SC-70-3                                            |
| Series                           | -                                                  |
| Reset Timeout                    | 140 ms Minimum                                     |
| Reset                            | Active High                                        |
| Packaging                        | Tape & Reel (TR)                                   |
| Package / Case                   | SC-70, SOT-323                                     |
| Output                           | Push-Pull, Totem Pole                              |
| Operating Temperature            | -40°C ~ 125°C (TA)                                 |
| Number of Voltages Monitored     | 1                                                  |
| Mounting Type                    | Surface Mount                                      |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                      |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                         |
| Detailed Description             | Supervisor Push-Pull, Totem Pole 1 Channel SC-70-3 |
| Base Part Number                 | MAX6382                                            |
