See specs for product details.

**Manufacturer Part Number:** B32522N6334J000

**Manufacturer/Brand:** EPCOS

**Part of Description:** CAP FILM 0.33UF 5% 450VDC RADIAL

**Datasheets:**  [B32522N6334J000.pdf](#)

**RoHS Status:**  Lead free / RoHS

**Stock Condition:** Compliant  
New original, 2520 pcs Stock Available.

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

## Specifications

|                                  |                                                              |
|----------------------------------|--------------------------------------------------------------|
| Part Number                      | B32522N6334J000                                              |
| Manufacturer                     | EPCOS                                                        |
| Description                      | CAP FILM 0.33UF 5% 450VDC RADIAL                             |
| Category                         | <a href="#">Capacitors</a> > <a href="#">Film Capacitors</a> |
| Part Status                      | 2520 pcs Stock                                               |
| Voltage Rating - DC              | 450V                                                         |
| Voltage Rating - AC              | 200V                                                         |
| Tolerance                        | ±5%                                                          |
| Termination                      | PC Pins                                                      |
| Size / Dimension                 | 0.709" L x 0.276" W (18.00mm x 7.00mm)                       |
| Series                           | B32522                                                       |
| Ratings                          | -                                                            |
| Packaging                        | Bulk                                                         |
| Package / Case                   | Radial                                                       |
| Other Names                      | 495-1252                                                     |
| Operating Temperature            | -55°C ~ 125°C                                                |
| Mounting Type                    | Through Hole                                                 |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                |
| Manufacturer Standard Lead Time  | 36 Weeks                                                     |
| Lead Spacing                     | 0.591" (15.00mm)                                             |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                   |
| Height - Seated (Max)            | 0.492" (12.50mm)                                             |
| Features                         | -                                                            |
| Dielectric Material              | Polyester, Polyethylene Terephthalate (PET), Metallized      |
| Detailed Description             | 0.33µF Film Capacitor 200V 450V Polyester,                   |
| Capacitance                      | 0.33µF                                                       |
| Applications                     | Automotive; EMI, RFI Suppression                             |
