| Manufacturer                     | N/A                                                     |
| Description                      | IC REG BUCK ADJ 1A 8SOIC                                |
| Category                         | Integrated Circuits (ICs) > PMIC - Voltage Regulators - |
| Part Status                      | 581 pcs Stock                                           |
| Voltage - Output (Min/Fixed)     | 1.25V                                                   |
| Voltage - Output (Max)           | 13.2V                                                   |
| Voltage - Input (Min)            | 7.5V                                                    |
| Voltage - Input (Max)            | 76V                                                     |
| Topology                         | Buck                                                    |
| Synchronous Rectifier            | No                                                      |
| Supplier Device Package          | 8-SOIC                                                  |
| Series                           | -                                                       |
| Packaging                        | Tube                                                    |
| Package / Case                   | 8-SOIC (0.154", 3.90mm Width)                           |
| Output Type                      | Adjustable                                              |
| Output Configuration             | Positive                                                |
| Operating Temperature            | -40°C ~ 125°C (TJ)                                      |
| Number of Outputs                | 1                                                       |
| Mounting Type                    | Surface Mount                                           |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                           |
| Manufacturer Standard Lead Time  | 7 Weeks                                                 |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                              |
| Function                         | Step-Down                                               |
| Frequency - Switching            | 125kHz                                                  |
| Detailed Description             | Buck Switching Regulator IC Positive Adjustable 1.25V 1 |
| Current - Output                 | 1A                                                      |
| Base Part Number                 | MAX5035                                                 |
