| Category                           | Capacitors > Ceramic Capacitors                   |
| Part Status                        | 2607 pcs Stock                                    |
| Voltage Rating - AC                | -                                                 |
| Voltage - Rated                    | 500V                                              |
| Tolerance                          | 3300pF                                            |
| Thickness (Max)                    | X7R                                               |
| Surface Mount Land Size            | -                                                 |
| Size / Dimension                   | 0.126" L x 0.063" W (3.20mm x 1.60mm)             |
| Series                             | -                                                 |
| RoHS Status                        | Tape & Reel (TR)                                  |
| Ripple Current - Low Frequency     | High Reliability, Automotive                      |
| Ratings                            | AEC-Q200                                          |
| Polarization                       | 1206 (3216 Metric)                                |
| Operating Temperature              | -55°C ~ 125°C                                     |
| Mounting Type                      | Surface Mount, MLCC                               |
| Moisture Sensitivity Level (MSL)   | 1 (Unlimited)                                     |
| Manufacturer Standard Lead Time    | 8 Weeks                                           |
| Manufacturer Part Number           | 1206J5000332MDT                                   |
| Lead Style                         | 0.063" (1.60mm)                                   |
| Height - Seated (Max)              | -                                                 |
| Features                           | Epoxy Mountable, High Temperature                 |
| Failure Rate                       | -                                                 |
| Expanded Description               | 3300pF ±20% 500V Ceramic Capacitor X7R 1206 (3216 |
| ESR (Equivalent Series Resistance) | ±20%                                              |
| Description                        | CAP CER 3300PF 500V X7R 1206                      |
