Specifications

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Part Number                | 74HC58DB,112                                              |
| Manufacturer               | NXP Semiconductors / Freescale                            |
| Description                | IC DUAL AND-OR GATE 14-SSOP                               |
| Category                   | Integrated Circuits (ICs) > Logic - Gates and Inverters - |
| Part Status                | 2660 pcs Stock                                            |
| Voltage - Supply           | -                                                         |
| Supplier Device Package    | 14-SSOP                                                   |
| Series                     | 74HC                                                      |
| Schmitt Trigger Input      | No                                                        |
| Packaging                  | Tube                                                      |
| Package / Case             | 14-SSOP (0.209", 5.30mm Width)                            |
| Output Type                | Single-Ended                                              |
| Operating Temperature      | -                                                         |
| Number of Inputs           | 10 Input (3, 3, 2, 2)                                     |
| Number of Circuits         | 2                                                         |
| Mounting Type              | Surface Mount                                             |
| Logic Type                 | AND/OR Gate                                               |
| Current - Output High, Low | -                                                         |
