| Specifications               |                                                         |
|------------------------------|---------------------------------------------------------|
| Part Number                  | LM2832XSDX                                              |
| Manufacturer                 | N/A                                                     |
| Description                  | IC REG BUCK ADJ 2A 6WSON                                |
| Category                     | Integrated Circuits (ICs) > PMIC - Voltage Regulators - |
| Part Status                  | 2502 pcs Stock                                          |
| Voltage - Output (Min/Fixed) | 0.6V                                                    |
| Voltage - Output (Max)       | 4.5V                                                    |
| Voltage - Input (Min)        | 3V                                                      |
| Voltage - Input (Max)        | 5.5V                                                    |
| Topology                     | Buck                                                    |
| Synchronous Rectifier        | No                                                      |
| Supplier Device Package      | 6-WSON (3x3)                                            |
| Series                       | -                                                       |
| Packaging                    | Tape & Reel (TR)                                        |
| Package / Case               | 6-WDFN Exposed Pad                                      |
| Output Type                  | Adjustable                                              |
| Output Configuration         | Positive                                                |
| Operating Temperature        | -40°C ~ 125°C (TJ)                                      |
| Number of Outputs            | 1                                                       |
| Mounting Type                | Surface Mount                                           |
| Function                     | Step-Down                                               |
| Frequency - Switching        | 1.6MHz                                                  |
| Current - Output             | 2A                                                      |
|                              |                                                         |
