### PCM1760P

|                           |                                         |
|---------------------------|-----------------------------------------|
| Manufacturer Part Number: | PCM1760P                                |
| Manufacturer/Brand:       | N/A                                     |
| Part of Description:      | IC DUAL 20-BIT A/D CONV 28-DIP          |
| RoHs Status:              | Contains lead / RoHS non-compliant      |
| Stock Condition:          | New original, 2263 pcs Stock Available. |
| Ship From:                | Hong Kong                               |
| Shipment Way:             | DHL/Fedex/TNT/UPS/EMS                   |

Image may be representation.  
See specs for product details.

| Specifications             |                                                          |
|----------------------------|----------------------------------------------------------|
| Part Number                | PCM1760P                                                 |
| Manufacturer               | N/A                                                      |
| Description                | IC DUAL 20-BIT A/D CONV 28-DIP                           |
| Category                   | Integrated Circuits (ICs) > Data Acquisition - Analog to |
| Part Status                | 2263 pcs Stock                                           |
| Voltage - Supply, Digital  | ±5V                                                      |
| Voltage - Supply, Analog   | ±5V                                                      |
| Supplier Device Package    | 28-PDIP                                                  |
| Series                     | -                                                        |
| Sampling Rate (Per Second) | 48k                                                      |
| Reference Type             | -                                                        |
| Ratio - S/H:ADC            | 1:1                                                      |
| Packaging                  | Tube                                                     |
| Package / Case             | 28-DIP (0.600", 15.24mm)                                 |
| Operating Temperature      | 0°C ~ 70°C                                               |
| Number of Inputs           | 2                                                        |
| Number of Bits             | 20                                                       |
| Number of A/D Converters   | 1                                                        |
| Input Type                 | Single Ended                                             |
| Features                   | Simultaneous Sampling                                    |
| Data Interface             | Serial                                                   |
| Configuration              | ADC                                                      |
| Architecture               | Sigma-Delta                                              |
