

| Specifications             |                                                                 |
|----------------------------|-----------------------------------------------------------------|
| Part Number                | TC620CCOA                                                       |
| Manufacturer               | Micrel / Microchip Technology                                   |
| Description                | IC TEMP SNSR 5V DUAL TRIP 8-SOIC                                |
| Category                   | <a href="#">Sensors, Transducers &gt; Temperature Sensors</a> - |
| Part Status                | 3993 pcs Stock                                                  |
| Voltage - Supply           | 4.5 V ~ 18 V                                                    |
| Trip Temperature Threshold | Cold, Hot                                                       |
| Switching Temperature      | Programmable                                                    |
| Supplier Device Package    | 8-SOIC                                                          |
| Series                     | -                                                               |
| Selectable Hysteresis      | Yes                                                             |
| Packaging                  | Tube                                                            |
| Package / Case             | 8-SOIC (0.154", 3.90mm Width)                                   |
| Output Type                | Push-Pull                                                       |
| Output Function            | OverTemp, UnderTemp                                             |
| Output                     | Active High                                                     |
| Operating Temperature      | 0°C ~ 70°C                                                      |
| Mounting Type              | Surface Mount                                                   |
| Features                   | -                                                               |
| Current - Supply           | 270µA                                                           |
| Current - Output (Max)     | 1mA                                                             |
| Accuracy                   | ±3°C                                                            |
