X9410WV24T1

Manufacturer Part Number:

X9410WV24T1

Manufacturer/Brand:

Intersil

Part of Description:

IC XDCP DUAL 64-TAP 10K 24-TSSOP

Datasheets:

 [X9410WV24T1.pdf](#)

RoHs Status:

Contains lead / RoHS non-compliant

Stock Condition:

New original, 2601 pcs Stock Available.

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Specifications                  |                                                        |
|---------------------------------|--------------------------------------------------------|
| Part Number                     | X9410WV24T1                                            |
| Manufacturer                    | Intersil                                               |
| Description                     | IC XDCP DUAL 64-TAP 10K 24-TSSOP                       |
| Category                        | Integrated Circuits (ICs) > Data Acquisition - Digital |
| Part Status                     | 2601 pcs Stock                                         |
| Voltage - Supply                | ±5V                                                    |
| Tolerance                       | ±20%                                                   |
| Temperature Coefficient (Typ)   | ±300 ppm/°C                                            |
| Taper                           | Linear                                                 |
| Supplier Device Package         | 24-TSSOP                                               |
| Series                          | XDCP™                                                  |
| Resistance - Wiper (Ohms) (Typ) | 40                                                     |
| Resistance (Ohms)               | 10k                                                    |
| Packaging                       | Tape & Reel (TR)                                       |
| Package / Case                  | 24-TSSOP (0.173", 4.40mm Width)                        |
| Operating Temperature           | 0°C ~ 70°C                                             |
| Number of Taps                  | 64                                                     |
| Number of Circuits              | 2                                                      |
| Memory Type                     | Non-Volatile                                           |
| Interface                       | SPI                                                    |
| Features                        | Selectable Address                                     |
| Configuration                   | Potentiometer                                          |
|                                 |                                                        |
