| Specifications          |                                       |
|-------------------------|---------------------------------------|
| Part Number             | 0805J5000150FQT                       |
| Manufacturer            | Knowles / Syfer                       |
| Description             | CAP CER 15PF 500V C0G/NP0 0805        |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | 2577 pcs Stock                        |
| Voltage - Rated         | 500V                                  |
| Tolerance               | ±1%                                   |
| Thickness (Max)         | 0.051" (1.30mm)                       |
| Temperature Coefficient | C0G, NP0                              |
| Size / Dimension        | 0.079" L x 0.049" W (2.00mm x 1.25mm) |
| Series                  | -                                     |
| Ratings                 | -                                     |
| Packaging               | Tape & Reel (TR)                      |
| Package / Case          | 0805 (2012 Metric)                    |
| Operating Temperature   | -55°C ~ 125°C                         |
| Mounting Type           | Surface Mount, MLCC                   |
| Lead Style              | -                                     |
| Lead Spacing            | -                                     |
| Height - Seated (Max)   | -                                     |
| Features                | Epoxy Mountable, High Q, Low Loss     |
| Failure Rate            | -                                     |
| Capacitance             | 15pF                                  |
| Applications            | General Purpose                       |
