| Manufacturer               | <a href="#">Micrel / Microchip Technology</a>                              |
| Description                | IC MCU 8BIT 128KB FLASH 64TQFP                                             |
| Category                   | <a href="#">Integrated Circuits (ICs) &gt; Embedded - Microcontrollers</a> |
| Part Status                | 2647 pcs Stock                                                             |
| Voltage - Supply (Vcc/Vdd) | 4.2 V ~ 5.5 V                                                              |
| Supplier Device Package    | 64-TQFP (10x10)                                                            |
| Speed                      | 40MHz                                                                      |
| Series                     | PIC® 18F                                                                   |
| RAM Size                   | 3.8K x 8                                                                   |
| Program Memory Type        | FLASH                                                                      |
| Program Memory Size        | 128KB (64K x 16)                                                           |
| Peripherals                | Brown-out Detect/Reset, HLVD, POR, PWM, WDT                                |
| Packaging                  | Tape & Reel (TR)                                                           |
| Package / Case             | 64-TQFP                                                                    |
| Oscillator Type            | Internal                                                                   |
| Operating Temperature      | -40°C ~ 85°C (TA)                                                          |
| Number of I/O              | 54                                                                         |
| EEPROM Size                | 1K x 8                                                                     |
| Data Converters            | A/D 12x10b                                                                 |
| Core Size                  | 8-Bit                                                                      |
| Core Processor             | PIC                                                                        |
| Connectivity               | I²C, SPI, UART/USART                                                       |
|                            |                                                                            |
