| Description             | IC ENERGY METER 1PHASE 64-LQFP                                                     |
| Category                | <a href="#">Integrated Circuits (ICs)</a> > <a href="#">PMIC - Energy Metering</a> |
| Part Status             | 2699 pcs Stock                                                                     |
| Voltage - Supply        | 2.4 V ~ 3.7 V                                                                      |
| Voltage - I/O Low       | 0.4V, 0.8V                                                                         |
| Voltage - I/O High      | 1.3V, 2V, 2.4V                                                                     |
| Supplier Device Package | 64-LQFP (10x10)                                                                    |
| Series                  | -                                                                                  |
| Packaging               | Tape & Reel (TR)                                                                   |
| Package / Case          | 64-LQFP                                                                            |
| Operating Temperature   | -40°C ~ 85°C                                                                       |
| Mounting Type           | Surface Mount                                                                      |
| Meter Type              | Single Phase                                                                       |
| Measurement Error       | 0.1%                                                                               |
| Input Impedance         | 770 kOhm                                                                           |
| Current - Supply        | 4mA                                                                                |
