|----------------------------------|-----------------------------------|
| Part Number                      | SLD33CA-TP                        |
| Manufacturer                     | Micro Commercial Components (MCC) |
| Description                      | TVS DIODE 33VWM 55.3VC            |
| Category                         | Circuit Protection > TVS - Diodes |
| Part Status                      | 2595 pcs Stock                    |
| Voltage - Reverse Standoff (Typ) | 33V                               |
| Voltage - Clamping (Max) @ Ipp   | 53.3V                             |
| Voltage - Breakdown (Min)        | 36.7V                             |
| Type                             | Zener                             |
| Supplier Device Package          | R-6                               |
| Series                           | -                                 |
| Power Line Protection            | No                                |
| Power - Peak Pulse               | 6000W (6kW)                       |
| Packaging                        | Tape & Reel (TR)                  |
| Package / Case                   | R6, Axial                         |
| Operating Temperature            | -55°C ~ 175°C (TJ)                |
| Mounting Type                    | Through Hole                      |
| Current - Peak Pulse (10/1000µs) | 112A                              |
| Capacitance @ Frequency          | -                                 |
| Bidirectional Channels           | 1                                 |
| Applications                     | Automotive                        |
