Specifications

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| Part Number                      | AT32UC3C2128C-A2ZR                                      |
| Manufacturer                     | Micro Commercial Components (MCC)                       |
| Description                      | IC MCU 32BIT 128KB FLASH 64TQFP                         |
| Category                         | Integrated Circuits (ICs) > Embedded - Microcontrollers |
| Part Status                      | 2531 pcs Stock                                          |
| Voltage - Supply (Vcc/Vdd)       | FLASH                                                   |
| Voltage - Breakdown              | 64-TQFP (10x10)                                         |
| Series                           | Automotive, AEC-Q100, AVR@32 UC3 C                      |
| RoHS Status                      | Digi-Reel®                                              |
| Reverse Recovery Time (trr)      | 66MHz                                                   |
| Requires                         | Brown-out Detect/Reset, DMA, I²S, POR, PWM, WDT         |
| Program Memory Type              | 128KB (128K x 8)                                        |
| Program Memory Size              | CAN, Ethernet, I²C, IrDA, LIN, SPI, UART/USART, USB     |
| Polarization                     | 64-TQFP                                                 |
| Other Names                      | 1611-AT32UC3C2128C-A2ZRDKR                              |
| Oscillator Type                  | A/D 11x12b, D/A 2x12b                                   |
| Operating Temperature            | -40°C ~ 125°C (TA)                                      |
| Operating System                 | AVR                                                     |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)                                           |
| Manufacturer Standard Lead Time  | 12 Weeks                                                |
| Manufacturer Part Number         | AT32UC3C2128C-A2ZR                                      |
| Expanded Description             | AVR Automotive, AEC-Q100, AVR@32 UC3 C                  |
| Description                      | IC MCU 32BIT 128KB FLASH 64TQFP                         |
| Data SRAM Bytes                  | -                                                       |
| Data Converters                  | 3 V ~ 5.5 V                                             |
| Core Size                        | 32K x 8                                                 |
| Controller Series                | Internal                                                |
| Connectivity                     | 32-Bit                                                  |
| Clock Rate                       | 45                                                      |
