Specifications

|                                        |                                                          |
|----------------------------------------|----------------------------------------------------------|
| Part Number                            | MAX4623CPE+                                              |
| Manufacturer                           | N/A                                                      |
| Description                            | IC SWITCH DUAL DPST 16DIP                                |
| Category                               | Integrated Circuits (ICs) > Interface - Analog Switches, |
| Part Status                            | 2650 pcs Stock                                           |
| Voltage - Supply, Single (V+)          | 4.5 V ~ 36 V                                             |
| Voltage - Supply, Dual (V±)            | ±4.5 V ~ 18 V                                            |
| Switch Time (Ton, Toff) (Max)          | 250ns, 200ns                                             |
| Switch Circuit                         | DPST - NO                                                |
| Supplier Device Package                | 16-PDIP                                                  |
| Series                                 | -                                                        |
| Packaging                              | Tube                                                     |
| Package / Case                         | 16-DIP (0.300", 7.62mm)                                  |
| Operating Temperature                  | 0°C ~ 70°C (TA)                                          |
| On-State Resistance (Max)              | 5 Ohm                                                    |
| Number of Circuits                     | 2                                                        |
| Multiplexer/Demultiplexer Circuit      | 2:1                                                      |
| Moisture Sensitivity Level (MSL)       | 1 (Unlimited)                                            |
| Manufacturer Standard Lead Time        | 6 Weeks                                                  |
| Lead Free Status / RoHS Status         | Lead free / RoHS Compliant                               |
| Detailed Description                   | 2 Circuit IC Switch 2:1 5 Ohm 16-PDIP                    |
| Current - Leakage (IS(off)) (Max)      | 500pA                                                    |
| Crosstalk                              | -60dB @ 1MHz                                             |
| Charge Injection                       | 480pC                                                    |
| Channel-to-Channel Matching (ΔRon)     | 250 mOhm                                                 |
| Channel Capacitance (CS(off), CD(off)) | 34pF, 34pF                                               |
| Base Part Number                       | MAX4623                                                  |
| -3db Bandwidth                         | -                                                        |
