|-----------------------------------|---------------------------------------------------|
| Part Number                       | MAX4285EUT+T                                      |
| Manufacturer                      | N/A                                               |
| Description                       | IC OPAMP BUFFER 220MHZ SOT23-6                    |
| Category                          | Integrated Circuits (ICs) > Linear - Amplifiers - |
| Part Status                       | 2515 pcs Stock                                    |
| Voltage - Supply, Single/Dual (±) | 2.85 V ~ 6.5 V, ±1.425 V ~ 3.25 V                 |
| Voltage - Input Offset            | 1.5mV                                             |
| Supplier Device Package           | SOT-23-6                                          |
| Slew Rate                         | 385 V/μs                                          |
| Series                            | -                                                 |
| Packaging                         | Tape & Reel (TR)                                  |
| Package / Case                    | SOT-23-6                                          |
| Output Type                       | -                                                 |
| Other Names                       | MAX4285EUT+T-ND                                   |
| Operating Temperature             | -40°C ~ 85°C                                      |
| Number of Circuits                | 1                                                 |
| Mounting Type                     | Surface Mount                                     |
| Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                     |
| Manufacturer Standard Lead Time   | 6 Weeks                                           |
| Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                        |
| Detailed Description              | Buffer Amplifier 1 Circuit SOT-23-6               |
| Current - Supply                  | 23mA                                              |
| Current - Input Bias              | 13μA                                              |
| Base Part Number                  | MAX4285                                           |
| Amplifier Type                    | Buffer                                            |
| -3db Bandwidth                    | 220MHz                                            |
