Specifications

|                        |                                          |
|------------------------|------------------------------------------|
| Part Number            | LTP5902IPC-WHMA1A2#PBF                   |
| Manufacturer           | N/A                                      |
| Description            | RF TXRX MODULE 802.15.4 MMCX ANT         |
| Category               | RF/IF and RFID > RF Transceiver Modules  |
| Part Status            | 2598 pcs Stock                           |
| Voltage - Supply       | 2.1 V ~ 3.76 V                           |
| Series                 | Dust Networks®, SmartMesh®, WirelessHART |
| Serial Interfaces      | SPI, UART                                |
| Sensitivity            | -95dBm                                   |
| RF Family/Standard     | 802.15.4                                 |
| Protocol               | WirelessHART                             |
| Power - Output         | 8dBm                                     |
| Packaging              | Tray                                     |
| Package / Case         | Module                                   |
| Operating Temperature  | -40°C ~ 85°C                             |
| Mounting Type          | Surface Mount                            |
| Modulation             | -                                        |
| Memory Size            | 512kB Flash, 72kB SRAM                   |
| Frequency              | 2.4GHz                                   |
| Data Rate              | 250kbps                                  |
| Current - Transmitting | 5.4mA ~ 9.7mA                            |
| Current - Receiving    | 4.5mA                                    |
| Antenna Type           | Not Included, MMCX                       |
